Together, we can do it!

Headteacher's message

This term children are learning all about the past. Year 5 went to the Richard III visitor centre Leicester to start their project and they will be deciding if King Richard III was a hero or a villain! Year 4 are asking What

was life like in Roman Leicester?' and got to handle lots of everyday Roman objects. Year 3 and year 6 are studying lots of different periods of history. Year 3 will be thinking about how Britain has changed. Year 6 are asking 'Which was the greatest ancient civilization?' comparing Mayans, Greeks and West Benin people and their achievements.

**Safer
Internet
Day 2022**

**Tuesday
8 February**

Safer Internet Day 2022 will be celebrated on the 8th of February to promote children's safe and positive use of digital technology. The school will be holding an assembly for children to raise their awareness of how to stay safe when having fun online.

Safer Internet Day is an excellent time to get involved with your children at home. Spending time together online is a great way to start conversations with your children about their online experiences, whether this is by playing games, watching videos or doing something else that your child enjoys.

It is important to ask questions and take an interest in your child's internet use. Talking openly with your child may help them to feel that they can tell you if they have any problems. If you have any concerns about internet safety, contact Mr Banham.

Eco Warriors Energy Saving tip: "30 is the new 40" clothes washing

Lowering the temperature doesn't mean less cleaning power. Switching to a liquid detergent will help shift stains. Pre-treat tough stains with a drop of diluted detergent. NHS and government advice is that normal washing of clothes will reduce the risk of germs spreading such as coronavirus

Pupil of the week!

Every two weeks, teachers choose 1 or 2 children in their class who have demonstrated the values of the Catherine Code. Their pictures are proudly displayed in school.

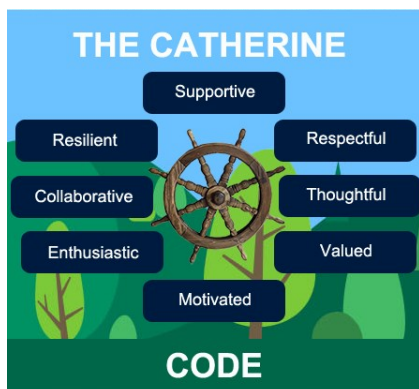

Talking Together

At CJS, we focus on children's Oracy skills because we think that the ability to speak confidently and articulately about a range of subjects is very important. This month's talking points are...

What would it be like to live in a place where everyone was the same? Explain further.
