## Clean Air Day

Yesterday saw the children take part in our 2nd 'Clean air day'. The event is organised by Mr T and the children took part in some amazing activities to raise awareness about air pollution and how it affects us personally.

## Transitions within school.

During the week beginning 28th June, the children will take part in transition to their new classes. During an assembly, they will meet their new teacher and have the chance to see who will be in their class after the summer break.

## Healthy Eating

A quick reminder that we are a 'Healthy eating' school and the children are allowed to bring in fruit, and other healthy snacks to eat at playtime.
