Together, we can do it!

Headteacher's message

Thank you to those parents who joined the virtual parents' evenings. It was wonderful for teachers to be able to meet you and talk about how children are settling into their new classes. There are lots of celebrations planned this term: This week, year 5 will be performing in their Diwali assembly. Children will watch online from their classes and parents will be able to watch the video on Class Dojo. In December, Year 4 will be taking part in a Christmas assembly. Fantastic to see our children celebrating the diversity of our community in school whilst learning about British Values of tolerance and respect.

Year 4 have been learning all about teeth in their PBL project: How do different bodies work?

Anti-bullying week

On Wednesday 17 November, don't forget to wear odd socks for Anti-Bullying week.

It's a chance to encourage everyone to express themselves and celebrate their individuality and what makes us all unique! Just wear socks that don't match and wear them with pride.

Year 6 had a brilliant trip top Twycross for their PBL project: How does life evolve?

Internet Safety

As children use the internet more and more, for homework, playing games and watching programmes, it is more important than ever to ensure they are safe both at home and school. Use the QR code to go to a useful website with key advice to help you and your family stay safe and enjoy the internet.

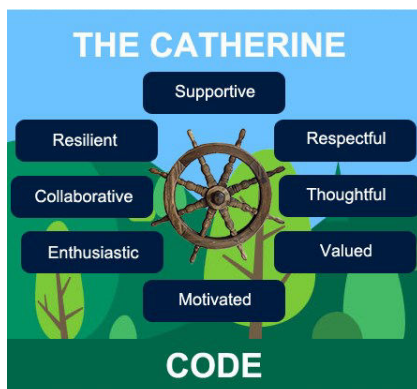

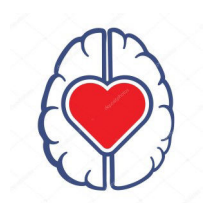

Talking Together

At CJS, we focus on children's Oracy skills because we think that the ability to speak confidently and articulately about a range of subjects is very important. To develop their Oracy skills further, we would like you to encourage your child to talk more at home. In each newsletter, we will give you two suggestions of talking points that you can take part in with your child. Perhaps in the car, on the way to school, whilst eating dinner or simply sat on the sofa in the evening.

This month's talking points are...
What is your favourite memory?

Who is your hero? Why?

Pupil of the week!

Every two weeks, teachers choose 1 or 2 children in their class who have demonstrated the values of the Catherine Code. Their pictures are proudly displayed in school.
